Dear Ian:

Re: Sakaw 2016-2021 Operating Plan Approval and On The PA FMA

Please find enclosed a copy of the Sakaw Askiy Management Inc. (Sakaw) PA FMA 2016-2021 Operating Plan Approval # 16/21-PAFMA-SAKAW-OP1, the 2016-2017 Temporary Work Camp Permit # 16/17-PAFMA-SAKAW-TWCP01 and the 2016-2017 Aquatic Habitat Protection Permit Approval # 15/16-PAFMA-SAKAW-AHPP01. The plan approval includes both general operating approval conditions and area specific conditions.

I would like to thank all the shareholders on their efforts to meet the December 1 submission timeline for the plan and note that the Ministry would like to meet with you early in the new fiscal year to discuss moving forward with multi-year approvals. I also, would like to commend the shareholders on the job they did in completing a plan this year that fully met the requirements of the new Forest Operating Plan Standard under the Forest Operating Plan Code Chapter D.1.3

At this time MoE Inspecting Officers for the forest operations covered under the authority of this operating plan will be Mike McColgan (953-2670) and Karen Waters (425-4251) from the MoE Forest Service. I will update you on any changes to this status in a timely manner
